Stage Assemblies

Last week we held our School Discos. Thank you to Ms Jansen and her team for organising this event. The students enjoyed dancing and socialising with their peers and even some of our teachers displayed their dance moves!

Unfortunately due to the wet weather the Early Stage 1/Stage 1 Sports Fun Day and Parent Café had to be postponed today. This day has been rescheduled for Thursday 1 November with a backup date of Wednesday 7 November.

The school Executive team has already begun planning for 2019. If your child/children will not be returning in 2019 (except for Year 6 students) please notify us in writing as soon as possible as this affects our numbers and class structures next year.

Thank you to the students and the staff for all their hard work this term. I hope you all enjoy the holiday break and that the students return refreshed in Term 4. **The first day back for both students and staff is Monday 15 October.**

Our Starting School Group has commenced for Early Stage 1 (Kindergarten) students who will be starting school in 2019. This group meets every Tuesday in Terms 3 and 4 from 9:15am to 11:00am in the Old Hall. It is free and parents attend with their child. Please see the attached flyer for more information.

Early Stage 1 (Kindergarten) Enrolment 2019

We are currently taking enrolments for Early Stage 1 (Kindergarten) enrolments for 2019. Enrolment forms are available at the office. You will need to provide an original birth certificate which we will photocopy, proof of residential address and an up to date immunisation certificate.

Skoolbag Update Announcement

Skoolbag is excited to announce the upcoming launch of the new SkoolBag Mobile App.

After months of development and testing, the completely re-designed SkoolBag Mobile App will shortly be available for all app users via an in-app update.

When available, app users will be able to update to the new SkoolBag App via the Apple App Store or Google Play for Android App. After the update, the user will be required to log in again using their SkoolBag username and password, however they will then remain logged in.

All the features of the previous app remain, we've just moved a few things around for a better experience.

Payments Reminder

All payments and notes must be placed into the money slot **before 9:30am** each day. We are concerned with the numbers of students who continually misplace their notes and require replacements. Please encourage your child to give you notes from their bags on a daily basis so that Department of Education deadlines can be met with regards to processing student payments. POP payments need the receipt number recorded in the relevant section of the note and that note should also be placed into the money slot for processing before 9:30am daily.

Library News

Library Borrowing

To help protect the borrowed books all students must use a library bag. Bags may be the cloth drawstring type, a PVC library bag available from stores or simply a clean, plastic shopping bag.

Students in Early Stage 1, Stage 1 and Stage 2 may borrow 2 books at any one time for a period of two weeks. Students in Stage 3 may borrow 4 books, 2 Fiction and 2 Non-fiction, at any one time for a period of two weeks.

Borrowing time will be made available during class lessons in the Library. In addition, students may borrow at lunchtime on Monday to Thursday. The library will also be open for borrowing and returning books from 8:35am to 8:55am every Monday and Tuesday and 3:05pm to 3:15pm on Monday and Thursday afternoons.

Scholastic Book Club

Scholastic Book Club operates 8 times a year and offers a convenient way for you and your child to select and purchase worthwhile and appealing books, software, craft and games. Brochure items have been expertly chosen to span a wide range of interests, age groups and reading levels.

Our school library benefits from all purchases made through the Book Club.

To order from Book Club simply fill in the order form on the back page of the brochure. Place the order form and correct money in an envelope clearly marked with your child's name and class. Orders are to be placed in the money slot at the front office.

Book Clubs LOOP is the new Scholastic Book Clubs Linked Online Ordering & Payment platform for parents. Please refer to the Book Clubs Loop flyer for more information.

Please note that your child's order will return to school approximately four to five weeks after the issue of the month's Book Club brochures.

Calling for volunteers – we need your help!

Our students really enjoy participating in the Commonwealth Bank School Banking program and to keep this program running we need your help.

The program requires a minimum of 2 volunteer School Banking Co-ordinators to facilitate the banking and distribution of School Banking rewards. This only takes a small amount of your time one day a week and the Commonwealth Bank will provide support in how to run the program. Your help with the program will greatly benefit students as they develop vital saving skills and also help our school with fundraising.

Currently, School Banking day is **Tuesday**

If you are interested in volunteering for this great program, please fill in the tear off section below and return it to **the office**.

Information for parents, guardians and students

Our school has partnered with Transport for NSW to use the new online process for you to submit school travel applications.

This means we will be able to process your applications online, making it easier and faster for parents, guardians and students to apply for school travel.

Applications for school travel in 2018 are now open, including for travel to Mascot and Green Square station and for private ferries. Parents, guardians and students are encouraged to apply as soon as they are able via:

Applications for 2018 school travel are now open via www.transportnsw.info/school-students

A new application is required when:

- applying for a School Opal card or travel pass for the first time,
- enrolling in Kindergarten, or
- requesting an additional entitlement as a result of a shared parental responsibility situation.

You will need to do an update application if the student has a current school travel pass and:

- is progressing from Year 2 to Year 3,
- is progressing from Year 6 to Year 7, or
- changes address, or
- changes school or campus.

Already have a School Opal card or travel pass?

- When you've updated, and you are eligible for free school travel next year, Transport for NSW will send you an email confirmation once your application has been processed. For travel in rural or regional NSW, we'll also inform your nominated transport operator(s).
- If you already have a School Opal card that does not need updating, or you've successfully re-applied, the Opal card will automatically be updated for travel next year. Do not throw it out as you'll be able to use it when the school year starts in 2018.
